Nonono.io Privacy Policy

I. Introduction

We at Nonono.io Oy ("we," "us") think that privacy and the protection of personal data are a very important element of the user experience of Nonono.io and of any related services or applications (the "Service"), as described in our Terms of Use.

In this Privacy Policy the term "personal data" means information that relates to an identified or identifiable natural person, which we collect to our client register. This Privacy Policy tells you about the ways in which we protect your privacy and personal data we process about you. This Privacy Policy constitutes a description of the data file of the users of the Service as set out in the Finnish Personal Data Act.

We know that you, the user of the Service, are concerned about how we use and disclose personal data. We are dedicated to openness regarding the ways in which we use and disclose personal data, and we are committed to complying with data protection and privacy laws that apply to us.

We may use third party service providers for processing of personal data in relation to offering the Service to you.

We wish to remind you that this Privacy Policy applies to personal data that we process when you use the Service. It does not apply to any links to third parties' websites and/or services that you may encounter when you use the Service. We encourage you to carefully familiarize yourself with privacy policies applicable to any websites and/or services operated by third parties. Please be aware that we are not responsible for the privacy practices of any third parties.

By using the Service, you accept the privacy practices described in this Privacy Policy.

In the event of any conflict between the Terms of Use of the Service and this Privacy Policy, the Terms of Use shall prevail.

II. The Data We Collect

The personal data is primarily collected from you as information voluntarily provided to us, but also from external sources or through automated means. In this Section II we describe in detail the personal data we collect.

(i) Data You Provide to the Service

We may collect the following information from our users ("Users", "you") that may, in certain circumstances, constitute personal data:

- Username;
- Password;
- E-mail address;
- Address;
- Phone number;
- Name;
- Business ID or personal identity number;
- Billing and payment information;
- Product and order information;
- Client contacts and feedback;
- Information concerning the use of the Service;
- Information necessary for communications;
- Permits and consents; and
- Other data obtained under the User's consent

(ii) Data Collected from Other Sources

We may also collect personal data, where lawful to do so, from public sources and third party service providers.

(iii) Data Collected Automatically

The Service may automatically collect the following information from Users of the Service that in certain circumstances may constitute personal data:

- The logging technology used in the Service automatically collects the URL of the site from which you came and the site to which you are going when you leave the Service. We also collect the Internet protocol (IP) address of the device you use to access the Service, information about the operating system of your device, as well as the name of your Internet service provider.
- We may place a "cookie" on the hard drive of the device that you use to access the Service. Cookies are text files that are saved on the hard drive of your device by means of your browser, enabling us to recognize your browser. Most of the currently available browsers give you the option of managing cookies by, for example, disabling them entirely, accepting them individually, and deleting saved cookies from your hard drive. We would like to remind you that if you completely disable cookies on your browser, you might not be able to use some features of the Service.
- Google Analytics is an element of the Service. By using cookies, Google Analytics collects and stores data such as time of visit, pages visited, time spent on each page of the website, the Internet Protocol address, and the type of operating system used in the devices used to access the

Service. By using a browser plugin <http://www.google.com/ads/preferences/plugin/> provided by Google, you can opt out of Google Analytics.

Moreover, details of transactions you carry out through the Service, and details of your visits to the Service including, but not limited to, traffic data and other communication data may also be collected through analytics services such as Mixpanel, Clicky, et al.

III. The Purposes for Which We Use the Data

We use the collected data described in Section II for the following purposes:

- To manage and develop the client relationship;
- To provide and develop the Service;
- To prevent and investigate fraud and other misuses;
- To protect our rights and/or our property;
- To operate and improve our products and services;
- For marketing;
- For payment control;
- For analytics and statistics;
- For opinion and market research;
- To personalize user experience; and
- For other comparable purposes.

IV. How We Disclose Data

We do not sell, lease, rent or otherwise disclose the personal data relating to our Users to third parties unless otherwise stated below.

Should we disclose any of personal data about you to other users of the Service, we will always contact you for explicit permission for disclosure of your personal data.

The personal data collected in the Service may be disclosed to the following categories of third parties:

- To service providers, such as payment processors, which enable us to provide the Service to you;
- To public authorities, such as law enforcement, if we are legally required to so or if we need to protect our rights or the rights of third parties; and
- To our subsidiaries and affiliates; or a subsequent owner, co-owner or operator of the Service and their advisors in connection with a corporate merger, consolidation, restructuring, or the sale of substantially all of our stock and/or assets, bankruptcy, or other corporate reorganization, in accordance with this Privacy Policy.

Moreover, we may disclose information to third parties in an aggregate format that does not constitute personal data and does not allow the identification of individual Users.

V. Your Rights

You have the following rights with respect to the personal data we hold about you:

- **The right to know what data we hold about you:** If you would like to know what personal data we hold about you, you can approach us with a written request using the address below. We seek to swiftly respond to your inquiry. We may charge a small processing fee if less than twelve (12) months has passed since your last inquiry relating to personal data we hold about you.
- **The right to have incomplete, incorrect, outdated, or unnecessary personal data corrected, deleted, or updated.** The easiest way to correct, delete, or update the personal data you have provided to the Service is to log in to the Service and enter the necessary changes there. If you have additional questions regarding the correction, deletion, or updating of the personal data we hold about you, please contact us using the address below.
- **The right to opt out of receiving electronic direct marketing communications from us:** All electronic direct marketing communications that you may receive from us, such as e-mail messages and SMS-messages, give you an option of not receiving such communications from us in the future. If you have any additional questions about electronic direct marketing received from us, please contact us at using the address below.

VII. Data Security

We take reasonable measures to protect personal data about you from unauthorized access or against loss, misuse or alteration by third parties. Despite these efforts to store personal data collected in and through the Service in a secure operating environment that is not available to the public, we cannot guarantee the security of personal data during its transmission or its storage on our systems. Further, while we attempt to ensure the integrity and security of personal data, we cannot guarantee that our security measures will prevent third-parties such as so-called hackers from illegally obtaining access to personal data. We do not warrant or represent that personal data about you will be protected against, loss, misuse, or alteration by third parties.

VIII. Transfers of Personal Data outside European Union or European Economic Area

We do not transfer any personal data outside EU/EEA. If you use US platform of our services, we use a service provider that operates in the US.

IX. Children's Privacy

The Service is not intended for users younger than thirteen (13) years of age. We do not intend to collect any personal data from children under thirteen (13) years of age. See our Terms of Use for additional information.

X. Changes to the Privacy Policy

From time to time we may change this Privacy Policy. You can tell when changes have been made to the Privacy Policy by referring to the "Last Updated" legend at the top of this document. We encourage you to review this Privacy Policy regularly for any changes. If we materially change the ways in which we use and disclose personal data, we will post a notice in the Service and send an e-mail to our registered Users. Your continued use of the Service following any changes to this Privacy Policy constitutes your acceptance of any such changes made.

XI. Questions or Concerns?

Should you have any questions regarding this Privacy Policy, your privacy as it relates to the use of the Service, or the protection of the personal data we hold about you, please contact us via e-mail at dudes@nonono.io or by mail at 559 Greer Rd, Palo Alto, CA 94303. We seek to swiftly resolve any concerns you may have.
